

Bachelor Health Sciences: HOMOEOPATHY degree

You are required to submit an assignment based on the following guidelines:

1. What is a Homoeopath?
2. Why do I want to become a Homoeopath?
3. What do I have to offer the profession?
4. What do I expect of the profession?
5. Where would I like to practice and why?

The above must be in your own handwriting and must not exceed five (5) A4 size pages.

Please ensure that you have:

1. completed the above assignment and bring original assignment to the interview. Please write neatly so your assignment is easy to read. You may lose points if the selection panel cannot read your writing.
2. attached two recent passport size **PHOTOGRAPH** of yourself and 2 certified copies of the first page of your identity document to the top right hand corner of the first page of your assignment.
3. Included your latest marks if you are currently in grade 12 or at any other place of study

You will be required to attend an interview at your own cost. Telephone Mrs G Clarke on **031 373 2514** or email Gilliancl@dut.ac.za or fax 0866 740451 to book your interview and entrance tests (**please give your CAO number and ID number**) when you telephone or email to book). See attached letter for dates of interviews. Please note that the tests and interviews take a minimum of 6 hours depending on the time of your interview so plan to be with us for the day. Bring lunch and something to drink.

NOTE: You must quote our Central Applications (CAO) number and ID number as reference on all documentation.

Please note: Your application will only be finally processed once you have successfully completed all the stages of selection required by the Homoeopathy Department.
